**CAUSE**

By way of history, on July 18, 2023 Warrington failed to report for his scheduled drug test. The assigned officer directed Warrington to report to the probation office on July 19, 2023 for a make-up test, which he did. Warrington submitted a drug test, which was positive for marijuana. The assigned officer addressed this with Warrington who admitted to smoking marijuana on July 18, 2023, and he signed admission form admitting to this fact. Warrington also tested positive for

marijuana on August 12, 2023 and when addressed, he admitted smoking marijuana again on or around August 1, 2023. The assigned officer admonished Warrington both times and reminded him that continued use of marijuana will result in sanctions and or revocation.

On September 6, 2023, Warrington failed to report for his scheduled drug test and the assigned officer directed him to report to the probation office on September 7, 2023 for a make-up test, which he did. Warrington submitted his test, which was positive for marijuana. The assigned officer again addressed this with Warrington who admitted last smoking marijuana on September 2, 2023 and signed an admission form admitting to this fact.

Given that Warrington has now tested positive for marijuana three times within the past two months, the Probation Office respectfully requests his conditions be modified to include community service as a sanction for his positive tests. Warrington is in agreement with this modification as evidenced by his signature on the attached probation form 49.
